# Refresh

## WHAT IS IT?

Imagine an oasis from your daily routine, where you can just be. Around you there is the hum of friends chatting and catching up with each other with an aroma of coffee and cake in the air. You have just arrived at Refresh!

You will be welcomed with freshly brewed coffee and homemade cake, you can relax in the informal coffee bar setting and will quickly make friends.

Although we love our coffee, we love God more and it is all about getting to close to His heart. We do this through worship, inspiring talks and supporting pertinent causes both nationally and internationally. You will find a caring group, who love supporting each other and there is always opportunity for prayer.

## WHAT DO YOU NEED TO DO?

Please come and join us. It could be just once or every time. You don't need to sign up or stop going to your regular church. You can take an active part or just sit quietly and take time to be. It is your space to meet with God and receive His refreshing.

## WHAT DO PEOPLE SAY ABOUT REFRESH?

*"It sets me up for the week!"*

*"It is a really good name as I always leave feeling refreshed."*
